2024 LEGISLATIVE ACTION AGENDA

1. Promote Economic Prosperity Private enterprise drives economic prosperity; not government. We must lower taxes, reduce regulatory burdens and rein-in government spending, and maintain a fair, honest and competitive business environment.

- Lower Tax Burden on Families and Businesses – We support comprehensive tax reform, promoting a simpler, fairer tax system.
- Exercise spending restraint. Reduce the size of the national debt by cutting federal spending. Dedicate all taxes, fees, and licenses from their revenue streams to their appropriate program funding.
- Ensure the majority of any tax surplus is returned to Minnesota tax payers.
- Oppose the overuse of omnibus bills.
- Reduce regulations on small businesses.
- Encourage market-driven affordable workforce housing.
- Defend the right of homeowners to maintain, repair or remodel their own home without becoming or having to hire a licensed contractor.
- Support a more proportional distribution of state funds and grants to rural Minnesota.

2. Uphold Our Rights We cherish and defend our Constitutional rights, applied equally to all citizens.

- Defend the Right to Life: Support respecting and protecting every innocent human life, from conception to natural death, including support for pregnancy resource centers.
- We support amending the U.S. and Minnesota constitutions to restore legal protection of human life.
- Protect Religious and Political Liberties: Protect the right to religious freedom, expression, and rights of conscience for all people and organizations.
- Respect the Right to Personal Privacy and Property: Protect personal privacy, personal property, and the 4th Amendment.
- Protect the Second Amendment, including the right to Stand Your Ground.
- Support Minnesotans' right to work and their right to unionize.
- Reinstate the previous Minnesota state flag and seal, and require that any future changes be passed by a supermajority of the legislature.
- Uphold policies that respect the essential difference between the two biological sexes.
- Oppose the divisive and dangerous "Equal Rights Amendment" to the Minnesota Constitution.

3. Strengthen Our Health Care Support genuine market competition, reduced government interference, and uphold medical freedom to strengthen our health care system.

- Limit government regulation and mandates in health care.
- Protect patient bodily autonomy and emphasize the doctor and informed patient relationship.
- Respect the sanctity of life.
- Protect the safety of all medical settings and facilities
- Increase funding for long-term, senior, and veteran care.
- Preserve the right of all patients to access and maintain privacy of their medical data, and treat medical records as the sole property of the patient.

4. Educate Our Children All children deserve the opportunity to succeed. The goal of education is to develop a foundational base of practical and academic knowledge preparing

students to become productive citizens.

- Protect parental choice by maximizing school choice and student-driven funding as necessary prerequisites to improving educational outcomes. Uphold the primary right and responsibility of parents to guide their children's education.
- Focus on education and preparedness by emphasizing a well-rounded, knowledge-based curriculum to prepare students to be positive, productive citizens.
- Support education in the context of traditional values including respect, integrity, hard work, teamwork, citizenship, home, and family.
- Oppose government-mandated political and ideological indoctrination in our schools.
- Ensure effective school administration by prioritizing teachers, students, and student achievement. Limit federal and state regulatory intervention and support local school district accountability, funding, and curriculum decisions.
- Emphasize traditional American values by allowing classrooms to display the U.S. flag, recite the Pledge of Allegiance, and include information about the role faith played in our nation's founding.
- Uphold the primary right and role of parents to convey to their children information about sexuality.

5. Strengthen Families and Communities The family is the foundational building block of society, and we uphold the institution of marriage. We must protect the fundamental right and responsibility of parents to direct the upbringing of their children and encourage two-parent families through public policies (welfare reform, tax rules, and health insurance).

- Protect the fundamental right of parents to direct the upbringing, education, and healthcare of their children.
- Support policies that protect minors from pornography in publicly funded institutions and increase resources to combat human sex trafficking.
- Support welfare reform that incentivizes work over public assistance for working-age citizens.
- Eliminate state-sponsored gambling and oppose overregulation of gambling permits.

6. Protect Public Safety and Uphold the Rule of Law

- Enforce our laws impartially.
- Strengthen support and respect for law enforcement and first responders.
