Becker, MN 55308-8702

Hello Fellow Republicans!

The Minnesota Organization of Republican Veterans is seeking to grow our operations in support of the MNGOP and the Minnesota Task Force 2024 - 2026. We want to increase efforts in each of the congressional districts within the state.

- We support veterans and their families through legislative activities.
- We encourage veterans and our advocates to stand for elected office to invigorate the governmental process.
- We sponsor the activities of Minnesota Task Force 2024 - 2026.

In 2024-2026 we are working toward improving MNGOP reach across all of Minnesota. We support the **Minnesota Task Force 2024 - 2026** and want you to help us with it. We have a community website to visit. At MORVets.net any one can be involved in the **Minnesota Task Force** statewide for some fun yet important activities with many interests.

JOIN US for membership as a veteran too! **Your membership is only \$20 for MORVets.** Begin the process of an active member with voting and delegate rights in each congressional district with ten members. You can also go to www.MORVets.net to pay on-line too.

Please include your personal check today, printed form and completed information below made out to MORVets!
Send both to our Becker, MN address listed to the left.
